## SIA-APCO Central Station Operator Instructor & Central Station Operator Courses

The Operator Instructor Course is intended for Central Station trainers. This 5-day course provides:

- An Overview of Adult Education Principles
- Skills and Tools to Make You a Better Teacher
- Your Plan for Developing an Integrated Hiring, Training, and Continuing Ed Program

The Operator Course provides certification for new or experienced operators. Students receive an overview of station operations and the operator's role.

The Operator Course can be taught by your certified instructors or by CSU.
